

**Our Mission Statement:**

To come together as a community joining church, school, civic groups and area businesses to pull our resources to help feed and clothe Perry residents in need.

To share our knowledge and skills with each other, making Perry *the* place to live and raise a family.

Perry Helping Perry is about a movement, a movement that helps our neighbors in need. This movement requires that we work together and give of our time, services and ideas. Perry Helping Perry is about taking care of our community. Perry is a wonderful place to live and raise a family. We have an excellent school district, great parks, wonderful Police, EMS and Fire services. Our Proud Perry community is coming together to make sure that all children are fed and clothed and we'll do what ever we can to help families that have fallen on hard times to get back on their feet. Perry Helping Perry isn't about handouts. Perry Helping Perry is about helping people to a better way of life. Perry Helping Perry is a community wide effort. Won't you be part of the movement?

## Coming soon.....

Perry Helping Perry is always working on new programs to suit the needs of our Perry Resident in need. Here are a few of the programs we are looking forward to starting in the future

**Cooking Club-** Perry Helping Perry will hold a cooking club to teach families healthy, easy cooking with ingredient's from the pantry.

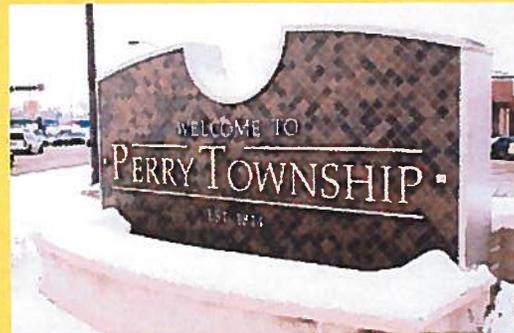

**Kids Club-** Kids are such an important part of our community! During our cooking club, we will teach children how to set the table, prepare appetizers and dessert, and teach basic etiquette.

**Senior Social Club-** One of our greatest resources is our seniors. Perry Helping Perry would like to provide a safe place for our seniors to meet monthly for food, friends and fun!

Please visit our website or join us on Facebook for program updates!
